Jack Lake Mountain Bike Trail offers approximately 12 miles of fast and flowing single and double-track mountain biking trails. Whether you're a first-time biker or a longtime shredder, these trails have something for everyone. The trail weaves its course through changing scenery of northern hardwood, aspen, and conifer forest types. The trail also meanders along three undeveloped glacier lakes,

Testimonials

"A Hidden Gem in the Northwoods!"

Visiting Langlade County was one of the best decisions we've made for a family getaway. From the moment we arrived, we were welcomed by the peaceful beauty of the forests, rivers, and small-town charm. The trails were perfect for hiking and biking, and we spent an unforgettable afternoon kayaking on the Wolf River.

The Martin Family, Milwaukee

"The trails in Langlade County are absolutely breathtaking!
We hiked several routes through lush forests and along rivers—peaceful, well-marked, and full of wildlife. It's a hidden paradise for nature lovers. Can't wait to come back!"
Jenna R., Green Bay, WI
